Words from the Community Lay Director

What a beautiful set of walks we had in March. I want to thank the Garden City Community for hosting these walks. It is a pleasure to greet the new pilgrims and from sounds of their comments they enjoyed the experience. I hope your fourth days are going well for all of you. We each experience the presence of God in our own way. As I am writing this note it is during Holy Week. What a great time to be in the presence of God. It gave me a good time to reflect on my own life and communicate with God in a special way. May God's love be with all of you.

From the Registrar:

Things are going well, but slow right now for my job as registrar. It always picks up closer to the walks. This is the time for you to see if anyone you know would like to go on the next walk. If you haven't had your sponsorship training yet, please do that so you will be ready to sponsor when it is time for the walks. The walks are in Wichita starting Oct. 11th for men and Oct. 18th for women so I am asking that the cut-off date for the applications be Oct 1st. You can get applications on the website, www.breadoflifecommunity.com.

Be blessed and enjoy your days. **Donna Schrag, registrar**

Kitchen

The kitchen would like to thank everyone who came and helped on the last walks in Garden City. I am always so blessed to work with so many at each and every walk. The last were great walks as we heard from the pilgrims during closing. God works in and through all of us and each and every one of us feels His power every time. God is always good, the walks just re-enforce it. The kitchen can not serve without lots of help from all of you so plan now for the walks in October and I'll see you there.

Agape

I would like to thank everyone for the wonderful gifts of agape you brought to the Garden City walks. They were very much appreciated by the Pilgrims. As you are preparing for the upcoming walks in Wichita, please plan to provide at least 70 pieces of agape for each walk.

Facilities – West

Hello everyone, I just want to say thank you to everyone who helped with the last set of walks, 105 & 106. We were a little short on people for set up and tear down but everything still came together great, there must be a reason for that. It was also awesome to hear the new Pilgrims speak at closing like it always is. Hope to see everyone in Wichita for the fall walks, we can always use your help with something so look me up and I'll hook you up, again thank you and have an awesome summer, be safe and God Bless you and yours.

DeColores, Mark Maier, Walk 91 Table of Peter

Facilities - East

I want to thank everyone who helped Mark with the spring walks in Garden City.

I also want to thank everyone for your prayers and notes during my recovery from surgery, I am doing very well and will be ready for the fall walks in Wichita.

I covet the help of all my dear sisters and brothers in Christ as we prepare the facilities for these next Walks.

Snacks

Welcome, new Pilgrims! We pray that each of you received a blessing from the past walks.

To the Bread of Life Community of Kansas: Thank you so much for the money and all the great food that was sent to the snack room during Walks 103 and 104 at Garden City. Some of you went to great lengths to fix food for the pilgrims. We're sure the pilgrims appreciated it; we know WE did!

Walks #107 and 108 will soon be here. The snack committee will need homemade cookies, brownies, and dips. For each walk we will need two people to bring sandwiches (made) for send-off. If not made, please bring supplies early so we can put them together to be ready by 5:30 p.m. Please let us know who can bring sandwiches. We will also need candy and candy bars.

Prayer Room

God was pleased with the help that the prayer room received during the Garden City walk weekends. The speakers were blessed by those who took time out of their busy days to pray with them, pray for them and the pilgrims while the speakers were in the conference room, and pray with them after the talk was given. The Pilgrims were prayed for several times each day as well. One way this is done is by holding onto their crosses and saying a prayer for them. Time was taken for numerous prayer requests from and for the community to be raised heavenward. God's Grace was felt each and every time a prayer was lifted up to Him. We want to say, thank you, to all those who signed up for the 24 hour prayer vigil. Those prayers were felt throughout the walk weekends. Watch the web site for the fall walk prayer vigil sign up. It will be on line soon.
