A Word From Our Community Lay Director

Greetings to you, my brothers and sisters of the Bread of Life Community!

We have just completed our spring walks #89 and #90 and I am still overflowing with all the joy and love that is poured out from those who are present and those who are not, but participate by praying. It was a wonderful experience to be there whether washing dishes, clearing tables, or spending time in the prayer room. A special thank you to those who participated in the walk weekends in whatever capacity! You are loved!

Welcome to the newest members of our community--Francis, Greg, Marc, Gerald, Bob, Mike E., Russ, John, Mike F., Terry, Bill, Torey, Marvin, Bruce, Matt, Chris, Craig, Jack, Larry, Duke, Candice, Arlynn, Connie, Mary Beth, Deborah, Jackie, Lucretia, Angela, Carolyn, Lula, Joyce, Vicki, Raegan, Pamela, Lynne, Nancy, Victoria, Kathy, Casey, Jackie, Renee, Jeanette, Cheryl, Sandra, Linda, Sarah, Barbara, Genda, April, Sueann, Patricia, Jerry, Brenda, Andrea, Nancy, DawnEna, and Nikki.

What is community? Webster's Dictionary describes it as "an interacting population of various kinds of individuals (as species) in a common location." I really like the interacting part of that definition. What makes us a community is the working together for a common goal. Whether we are new or have been a part for a while, we have to do something to develop or maintain the relationships. I have gotten a little lax in my attendance at my reunion group and helping with the walks made me aware that I need to re-prioritize my life and recommit to that hour each week. It is important for me-and you--to be held accountable for each part of the order of the reunion meeting. The reunion groups help to build a healthy, strong community. We are each a part of a different community also, our church family. The main purpose of the walk to Emmaus is to help develop leaders for the church. Some of the talks helped us understand we are disciples and that we can be Christ's hands and feet working with the clergy in our churches. I encourage you to find where you are called to serve and ask God to be BIG in that area of your life. Our next walks will be in Garden City in October and we look forward to getting to see you there.

The rest of our lives are fourth days where we can choose to prioritize; build on the foundations of piety, study, and action; persevere and remember through it all that God is good and his mercy endures forever. I hope these past weekends have led you to recommit to the basics that "our eyes were opened" to when we went on our walks. May your walk to Emmaus continue daily!!!

DeColores,
